1. About FOS ART X SHIELD

**FOS ART is an authorized Asia distributor of SHIELD Color.
FOS and SHIELD Color are collaborating for global market sales and marketing.**

Shield Color is a paint company established in 1978. "To complete the artwork is not a tool but a passion" is the moto, we have tried to provide the best paints . We have our own production technology of oil-colors. Shield colors Co., Ltd. is at present the third largest paint manufacturing company in Korea. In terms of domestic sales, it stands second in oil colors, but first in face paints, glitter glue, textile paints and craftwork paints.

TEMPERA COLOR

1. Tempera Color, Single (12 Colors), 250ml Bottle

It is produced only with non-toxic raw materials so that it can be used safely and can be used for all drawing education such as children's art, children's crafts, finger paints, etc. It is a water-based product that is easy to use, and paints on your hands can be easily removed with water and soap.

5) Face Painting

As part of body painting, it refers to painting on the face, hands, and feet in a short time using skin-exclusive paints. In particular, face painting is often used because it has the effect of making the party more shiny by directing it on the face at various parties such as birthday parties and Halloween days. It is also used as a promotional event as a unique spectator performance when cheering for sports such as soccer and baseball.

1. 6 Colors of Face Paint Set 10ml Bottle
2. 6 Fluorescent Colors of Face Paint Set 10ml Bottle

6) Glitter Glue

Glitter Glue is a gel type, so it is easy to use because it has excellent adhesion, and it is a party product that can be used in various concert halls, stages, and amusement parks by giving a sparkle effect after drying. It can be applied to various works of art such as P.O.P writing and Woodlock design, and when used for craft works, the work can be stored for a long time by spraying a fixative after the glitter gel has dried.

1. Glitter Glue Color, Single (21 Colors), 37ml Bottle

7) Textile Paint

It is a textile exclusive paint that can be used widely from beginners to experts. Each color is equipped with a dedicated tip, so you can use as much paint as you want on the pallet, and it can be used directly on the fabric as a liner, so it is convenient.
